

RoHS - Logistics Issues

Naming - Convention

- **SMT products: RoHS compliant** and current standard products with SnPb-lead-finish available in parallel for defined time frame according to RoHS 2002/95/EC directive.
- **Radial products:** conversion to **RoHS compliance** with PCN2004-005-A BU43/88
- **Declaration of Pb-free products:**
 - a) **only** SMT: new Q-number
 - and b) additional description on label: “RoHS Compliant“
 - and c) sticker onto box “Pb-free“ (only for the samples)
- **Only in OOS systems for internal tracing** (incl. EPOS): “Z“ in naming-convention

Example:

SnPb: SFH 421

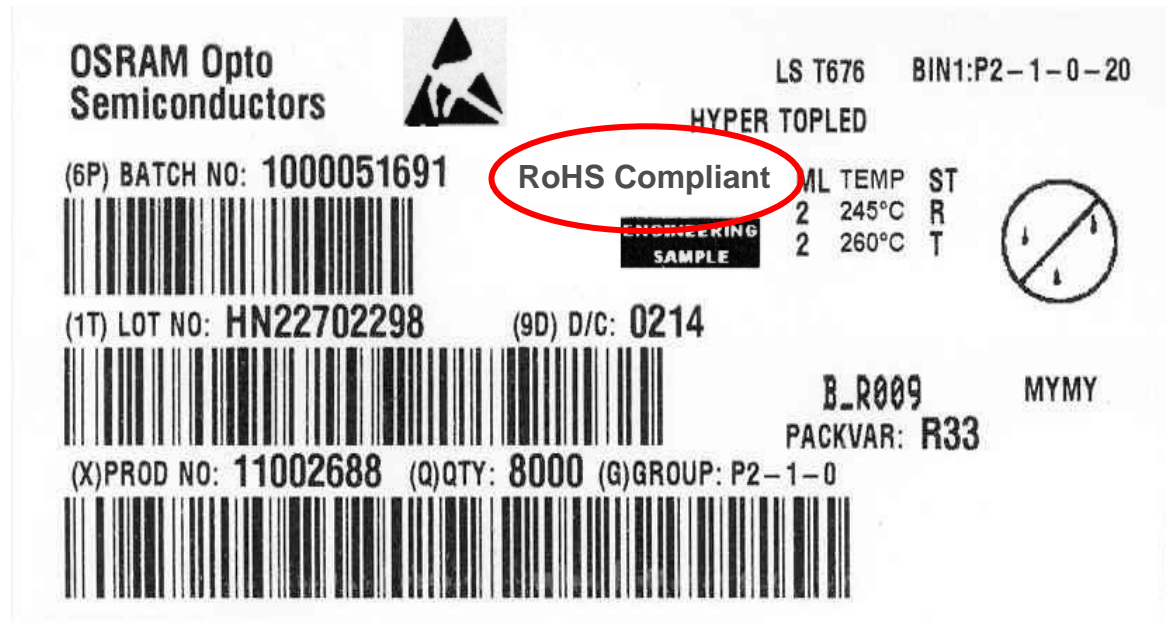

LS T676-P1R2-1-0-20-R18

SnPb-free: SFH 421-Z

LS T676-P1R2-1-0-20-R18-Z
